Little Beloved Flower

French Creole Songs in the Shade of the Flamboyant Tree from Haiti and Reunion

Collected by **Chantal Grosleziat** Illustrated by **Laurent Corvaisier**

🎵 MUSICAL TRADITIONS / MATERNITY / CULTURE / COMMUNITY

12 traditional French Creole lullabies and nursery rhymes from Haiti and Réunion pay homage to community, family ties, work, love and life's passages.

Imagine a daily island hubbub with warm breezes, salt water, music flowing through towns and countryside. The melodies included celebrate history, language and culture with sounds of indigenous instruments alongside performances of women, men and children. Colourful illustrations of tropical animals, magical characters, people and places complete this title, giving fanciful transport to the listener.

Also included are educational notes on the origin and cultural context of each song. Lyrics are printed in the original French-Creole dialects and translated into English. The recordings available on all music streaming platforms can be accessed with a QR code printed in the book.

Chantal Grosleziat has devoted over three decades to researching how children are affected by music. As an educator and musician, her work includes the award-winning musical picturebook collection, "Comptines du monde" ("Nursery Rhymes from Around the World"), and the series, "Bébés chasseurs des sons" ("Babies Are Sound Hunters"). She resides in Paris, France.

Laurent Corvaisier is a painter, illustrator and instructor at the École Nationale Supérieure des Arts Décoratifs in France. He has illustrated more than 100 children's books which have been translated into several languages. He resides in Paris, France.

STORIES WITH SONGS

Keep Your Ears Wide Open

Story by **Celine Claire** Illustrations by **Marie Lafrance**

👁️ **VISUAL IMPAIRMENT / MODES OF TRANSPORTION / FRIENDSHIP / SHARING**

A touching portrayal of a young visually impaired boy who opens his heart to others.

Knock! Knock! Choo! Choo! Vroom! Vroom! As Russel awaits a visit from his brother, with every sound he wonders: Is Angus here? No, not yet. But with his ears – and his heart – wide open, Russel responds to the calls of a series of strangers who become his friends. Good thing because... Ting-a-ling! Ting-a-ling! Did you hear that? It sounds like Angus needs to be rescued!

A recording of the narrated story can be accessed with a QR code printed in the book.

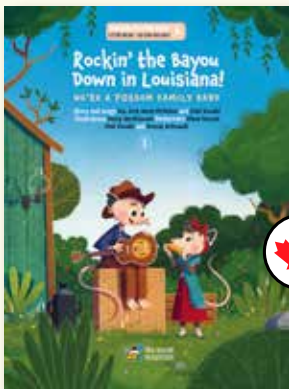

Céline Claire is the author of many books published for children and young readers. Formerly a school-teacher, she has collaborated over the past 20 years with several established French publishing houses, including Bayard, Milan and Circonflexe. She resides in a small village in northeastern France with her family.

Marie Lafrance studied graphic arts, etching, and worked as a printmaker before going on to illustrate children's books. Over her career she's earned three nominations for the Governor General's Literary Award, and she recently received the Ruth and Sylvia Schwartz Children's Book Award for "A Hen for Izzy Pippik." She resides in Montreal.
